

## New Plaque Dedicated To Heroes of World War II

The Dedication Service at the Butte on Remembrance Day, November 11th, at 10:45 a.m., was fairly well attended despite the wintry weather, and the unveiling of the new plaque at the Cenotaph was carried out with appropriate ceremony.

Lt.-Col. C.A. Richardson, D.S.O., of Calgary, officiated at the unveiling of the plaque and delivered a short address, commending the people of Didsbury and district for their thoughtfulness of the boys and girls who paid the supreme sacrifice overseas, not only by erecting the plaque, but in the building of a living memorial in the form of a Community Centre, at which the younger generation might enjoy themselves and give thanks to those who fought and died to provide freedom for the future.

Rev. D. Whyte Smith, who introduced Col. Richardson, followed the address with a prayer.

The official presentation of wreaths, on behalf of various organizations, were made as follows: Province, H. Hammell, M.L.A., Town, Mayor H. Lynch-Staunton, Canadian Legion, H. Richardson, Legion W.A., Mrs. J. Freeman, I.O.G.E., Mrs. Harvey Gillrie, King Hiram Lodge, C. Mortimer, Lions Club, Ed Wiggins, Scouts, Bill Edwards, Brownies, Miss Joyce Morgan.

The salute by the Firing Party from Calgary was followed by the "Last Post" and two minutes silence in memory of our departed heroes. Revellie was followed by the salute by the Firing Party, and the withdrawal of sentries marked the completion of the main ceremony.

## FORTY YEARS AGO

November 8, 1907

The bounty on coyotes is having a beneficial effect in reducing the number of these pests in the district, one farmer bringing in no less than 26 hides this week. The bounty is one dollar per head.

A prairie fire swept over a few miles of the country east of here. No buildings were burned but a few haystacks were lost. Cause of the fire is as yet unknown.

Mayor Sexsmith and H. E. Osmond have secured the promise of about \$200 from the merchants of the town for a free library and reading room. The Alberta government stands pledged to give dollar for dollar with the town.

Didsbury is now well supplied with blacksmiths. There are no less than four in town.

An old timer in the person of G. W. Street, who has resided in this district for the past 17 years, left for New Zealand Saturday to look over that country.

## ALBERTA TEAMS FOR TORONTO ROYAL

Five teams of Alberta boys and girls will leave Edmonton for Toronto Nov. 13 to compete in judging with boys and girls from the rest of the Dominion in the annual Winter Fair.

The competitions will be held during the week of Nov. 17, with the teams returning to Alberta Nov. 24.

New plate glass windows were installed last Friday and Saturday in the Red and White Store and H. Lynch-Staunton office to replace the ones broken on the night of October 30th by persons unknown. New plate glass windows were also put in Kirby's Meat Market to replace those broken last spring.

## C.P.R. TRAIN TIME TABLE

Train No.	To Calgary
522	4.51 a.m.
524	11.54 a.m.
526	5.20 p.m.
Train No.	To Edmonton
521	1.10 a.m.
523	10.50 a.m.
525	6.19 p.m.

All the above trains are daily

## HARVESTING COMPLETED

Despite the backward fall and continued interruptions due to wet weather, harvesting in the Didsbury district was practically completed before the snow fell this past week; and only the odd field of grain remains to be threshed. While some hail struck the district late in August, yields as a whole west of town were satisfactory, although further east the crop was a disappointment to many farmers.

## M.D. ASKS SCHOOLS IN L.I.D. BE TAKEN OUT OF OLDS DIVISION

A committee from the Council of the Municipal District of Mountain View No. 49, consisting of Reeve Fox, Councillors Metz, Niddrie and Dodd, and secretary-treasurer A. Brusso, presented a brief before the Tax Inquiring Commission which met in Red Deer on Wednesday, November 5th, and endorsed the main brief of the Municipal District Association. The committee also presented the brief submitted by the Municipal District of Mountain View No. 49 which stated that the cost of operating schools in the Local Improvement Districts was \$28,053 in excess of taxes and grants received from this area, and since this sum was going towards the education of pupils not resident in the municipal district it was suggested that the L.I.D. be withdrawn from the Olds School Division, and made a direct charge on the Province. An alternative to this suggestion was that the Olds School Division receive a much larger equalization grant.

Another point raised was the qualification of residents as Indians, and the Municipal District of Mountain View pointed out that the qualifications should be standardized, making the length of residence for relief purposes the same as for provincial and municipal cases.

A third request made was that the municipal districts should receive an adequate share of the motor license and gasoline tax on transportation of farm products by motor power, to compensate for the extra maintenance of municipal roads.

## SUCCESSFUL CARD PARTY HELD FRIDAY EVENING

The Didsbury "Lionesses" put on a very successful card party last Friday evening in the Lions Hall, where 15 tables of bridge and whist were in play at one time.

Prizes for the highest scores in bridge went to Mrs. Geo. Thring and Mr. C.F. Nichol, with consolation going to Miss H. Byrt and Ken McCoy. High whist prizes went to Mrs. Dale Kimmel and Mr. P. Hular, consolation being won by Mrs. S.J. Gilson and Ed Klinek.

Following cards the ladies served a delicious lunch.

Proceeds were turned over to the Community Centre Fund.

## MELVIN NEWS NOTES

There was a large attendance at the dance Friday night and everyone reported a dandy time. Good crowd, good music, good floor and good lights. About \$500 was cleared and the ladies of the local Red Cross wish to extend hearty thanks to all those who contributed in any way to the success of the evening. Especially they wish to thank Chynton Johnson who provided the electric lights for the evening. After supper the Dresden plate quilt was given away on the alarm clock lottery, and Mrs. Frank Herbert was the winner.

Mr. and Mrs. Alvie Cowitz moved to Calgary last week, where Alvie will resume his regular work as cabinet maker.

Mr. and Mrs. Allen Krebs were Edmonton visitors last week. There will be an annual dance in the Melvin hall on December 5th. Anderson's orchestra of Bowden will supply the music.

## RUGBY W.I. SENDS PARCELS TO NEEDY IN ENGLAND

With an attendance of 13 the November Rugby W.I. meeting was held at the home of Mrs. A. Blain. After the usual opening exercises the business of the day was taken up. A report on the food sale, held recently, showed a substantial sum to be turned into the treasury. Two Christmas food parcels are to be sent over to England immediately. A very nice clothes outfit for an eight-year-old is also being sent overseas. At the end of the afternoon the blanket on hand was raffled and when drawn for it was found that Mrs. J. Luft of Westcott was the holder of the lucky ticket. The gathering closed with the National Anthem and lunch followed.

Next month the Rugby W.I. will meet at the home of Mrs. O. Krebs. This will be the last meeting for 1947 and there will be election of new officers, so everyone please try and be there.

## TO DISCUSS RURAL ELECTRIFICATION FRIDAY

A meeting has been called for Friday, November 14, at 2:00 p.m. in the Mountain View Hall, east of Didsbury, to discuss the possible establishing of rural electrification in the east territory, and it is to be hoped that everyone in the district from three miles north to the Cardinals road on the south will attend.

Mr. Gale, of the Calgary Power Company, will address the meeting and will be prepared to answer any questions which may be brought up at this meeting.

## TOWN RESIDENTS MUST ADHERE TO HEALTH ACT

Two councillors were absent from the regular meeting of the Town Council, held Monday evening, November 3rd. J.C. Mooney, district health inspector, was present, and reported that many residents had not purchased the required containers for garbage. The secretary-treasurer was authorized to publish a notice in The Pioneer in regard to disposal of garbage, etc., and this notice appears in this week's issue of The Pioneer.

Council authorized a grant of \$75 towards the plaque dedicated to the fallen veterans of World War II, which has already been placed on the cairn at the Butte.

Results of the plebiscite taken on Monday, October 27th have been forwarded to the Clerk of the Legislative Assembly, Edmonton, and to H. Hammell, M.L.A., Carstairs.

The report from the Rosebud Health Clinic was read.

Routine business completed the affairs of the meeting.

## REMEMBRANCE DAY SERVICE HELD AT KNOX UNITED

A special Remembrance Day service was held at Knox United Church, Didsbury, on Sunday evening, November 9th, and a large crowd attended.

Besides the usual service there was a special anthem by the choir, presentation of a wreath by the Canadian Legion, followed by two minutes silence, a solo, "The Trumpeter," by Miss Betty Bowman, and an appropriate address by Rev. D. Whyte Smith, Padre of the Legion and minister of Knox United Church.

## WINTER IS HERE

The light snow which fell last Monday night failed to disappear and with some additional snow the past few days it looks as though winter has set in.

Temperatures have been moderate and roads last week end were very slippery in places, making driving difficult and dangerous.

With the advent of winter weather there has been a great demand for coal, and householders are advised to keep their coal bins filled if possible.

## WORK PROGRESSES ON THE DIDSBURY COMMUNITY CENTRE

The first part of the Community Centre, the covered skating rink, is rapidly taking shape and it is hoped to have skating and hockey underway in the new building this winter.

To raise funds to complete the community centre project the finance committee is now conducting a campaign throughout the town and district and canvassers will shortly call on all good citizens for a cash donation. We urge you give generously to this worthy cause when the canvasser pays you a visit.

A covered skating rink will provide necessary winter sport for our young people. The Community Centre will be a memorial to our departed boys and girls who paid the supreme sacrifice that we might enjoy freedom.

Let us show our appreciation by giving generously to a project that deserves the support of everyone in Didsbury and district.

Following is a further list of cash donations received during the past week, bringing total donations to \$12,979.74.

Dr. J.D. Paul \$100; R.H. Eubank \$50; D.M. Wilson \$50; D.C. Areher \$50; C.P. Reimer \$25; J. Calhoun \$100; M.E. Archer \$25; Tom Morris \$100; Builders' Hardware \$100; Russell Fulkerth \$25; Walter Fulkerth \$25; W.J. Fulkerth \$25; Crystal Dairy \$300.

"BLUE NO MORE"

One of the luckiest passengers on board the Canadian Pacific liner Empress of Canada as she sailed from Montreal for Liverpool recently was three-year-old David Collins, on his way home with his mother

to Greenock, Scotland, after a completely successful operation for a "blue baby" condition. Wee David was rushed to Chicago a few weeks ago, where the delicate operation was carried out at the Children's Memorial Hospital.

## 67 Per Cent of Current Taxes Collected in M.D. Mt. View

## LADIES' SPORTS CLUB ENJOYS SCAVENGER HUNT

Several householders were very surprised last Thursday evening to find unexpected callers grouped on their doorsteps asking for such odds as buttons, hairpins and toothpicks. The reason for their odd requests was a scavenger hunt held by the Ladies' Sports Club, which besides being fun provided members with ample exercise and fresh air.

Two groups were formed from the 13 members present at the meeting each being given a list, previously compiled, of articles to collect in as short a time as possible. This necessitated each group literally scouring the town in all directions, and finally arriving at the meeting place again within five minutes of each other.

The exercise had given members quite an appetite so that the delicious lunch served was doubly appreciated. Club business and future programs were then discussed and it was decided to hold a P.T. class in Betty's Beauty Salon on Thursday, November 13th, at 8 o'clock. The instructress will be Mrs. Ed Carleton and everyone interested is welcome to join. Membership fees to the club are 50 cents, with an additional 10 cent due at each meeting.

## J.H. ROBERTSON RECEIVES SCOUTMASTER'S WARRANT

A meeting of the 1st Westcott Boy Scout group was held Friday, November 7th, to decide on and arrange a concert to raise funds for the group. It was decided to hold a fashion show and box social on November 28th at the Westcott school.

The meeting, which was attended by the group committee, the parents of the scouts, was also attended by Assistant Executive Commissioner J.G. Scott from Scout headquarters, Edmonton, for the purpose of presenting the Scoutmaster's Warrant, duly signed by the Chief Scout of Canada, Alexander of Tunis.

Mr. Scott also gave the meeting a very interesting talk on the work and progress of scouting in Canada and gave many useful suggestions to the Scoutmaster and Cubmaster, Lloyd Vogel.

Don't forget to come to Westcott on the evening of November 28th to see a preview of what will be the right style for ladies to wear in 1948. Don't forget to bring boxes—and don't forget to bring your pocket book.

## WALTHER LEAGUE DONATES TO LUTHERAN WORLD RELIEF

On Tuesday, November 4th, Mrs. Annie Krebs acted as hostess for a regular Walther League meeting of Redeemer Lutheran Church, and despite the fresh snow the meeting was well attended. Besides the regular members, 12 visitors were in attendance.

The meeting opened with a discussion on the Bible led by Pastor Fox. In the business session the Leaguers voted to send \$30 as a donation to the Canadian Lutheran World Relief for Europe.

After a tasty lunch served by the hostess the meeting closed with a singing of old favorites. The next meeting will be held on Tuesday, November 18th, at the home of Mr. and Mrs. R.L. Kruger of Olds.

## RUGBY AND ZELLA SCHOOLS HOLD HALLOWEEN PARTY

A very successful Halloween party was held in the Rugby school Friday, October 31st, under the sponsorship of the teachers of Rugby and Zella schools. All the school children came in costume and prizes for the best costumes were won by Elaine Cowitz and Larry Krebs. The fish pond, speak house and fortune telling were all enjoyed by the pupils.

The party came to a close with the serving of a delicious lunch.

At the regular meeting of the Council of the Municipal District of Mountain View No. 49, held in Didsbury on November 3rd, approval was given to two tax consolidations with settlements made in full. Council approved one old age pension application, and notice was received from the Old Age Pension Branch that one application had been approved.

Application was granted for the establishing of a service station in N.W. 26-28-4-5, near Bottrel.

A complaint was received regarding the fencing off of road allowances in the Mound area and the secretary was instructed to ask farmers to remove the fences.

Councillor Metz was appointed a committee of one to settle a damage claim against calves impounded in the W.J. Scheidegger pond.

A communication from the Department of Public Works stated that they would replace the bridge between sections 22 and 23-31-3-5, south of Melvin school, as soon as a crew is available.

Application was made for the cancellation of a road diversion in N.W. of 21-28-3-5, and Councillor Haag was appointed a committee to investigate before any action was taken.

Secretary-treasurer A. Brusso reported that up to the end of October 67 per cent of the current taxes had been collected, and 45 per cent of the arrears.

Delegates appointed to attend the Municipal District Convention at Edmonton on November 17, 18 and 19 were Reeve Fox, Councillors Niddrie and Metz, and secretary-treasurer A. Brusso.

Council fixed the upset price of all lands included in the tax sale to be held December 11, 1947.

## SENIOR HOCKEY CLUB RE-ORGANIZE FOR SEASON

An organization meeting of the Didsbury Senior Hockey Club was held in the Lions Hall on Wednesday evening, November 5th, and the following officers were elected for the ensuing year:

President, Trev Evans.  
Vice-president, Geo. Wilkins.  
Sec.-treas., Lloyd Jenkins.  
Coach, C. Scott.  
Transportation Committee: H. Halliday, C. Newton, T. Pearson.  
Executive Committee: Bill Weidner, Paul Brinton, J. Holub, T. Evans, L. Jenkins, G. Wilkins and C. Scott.

It is planned to enter a team in the hockey league this year and further plans will be completed when the ice is ready for hockey and skating.

## Editorial

## A MIXED FARMING AREA

The rise in grain prices may have a tendency to cause some farmers to cut down their production of hogs and other livestock, including the milking of cows, but those who contemplate this action would be well advised to reconsider any such move.

Prosperity in a mixed farming district like Didsbury depends mainly on stable production and this stability can only be assured if our farmers continue to operate in a manner to suit the climatic conditions which we are subjected to.

Higher grain prices may be the distant greener pastures, but if crops fail, or prices drop, those farmers who do not have livestock will feel the pinch in a very short time.

It is true that mixed farming is a steady grind, but nothing is gained in this world without work, and it is the hard working mixed farmer in the Didsbury district who will continue to prosper despite the elements of the weather.

The Didsbury district is a proven mixed farming area with plenty of rainfall for grain and grass crops, and as long as prices remain at a fair level our farmers can expect some measure of prosperity. However, those who depend on straight grain farming for a living are due for a set-back unless dame fortune is at their beck and call.

## GETTING NEARER TO FREE TRADE

Not since the end of the war has a news break made such an impression as the announcement of the trade agreements reached at Geneva. The welfare of Canadians is perhaps more dependent on freer world trade than that of any other people. The details will not be announced until November 18, but most reliable sources indicate that the agreements are far-reaching. While no one claims that the agreements will bring us close to absolutely "free" trade, it is claimed that we are going a long way toward that goal.

## NOTICE TO ALL FARMERS AND TRUCKERS

All elevators in Didsbury will be closed at 6 p.m. each night, and on Saturday afternoons.

## DISAPPEARING SOIL

When the Pilgrim Fathers landed on the shores of North America, the top soil was about nine inches deep. Today it is an average of six inches in depth for the continent as a whole. In some places it has been lost entirely.

## PLEASE PHONE OR BRING IN YOUR NEWS ITEMS

This newspaper cannot make a house to house canvass for news, but it is always glad to have it 'phoned or handed in. We want all the news. We are just as pleased to mention your guests or your visit as to mention doings of your neighbors—but maybe your neighbors co-operated with us in getting the facts. Please let us have your news items. Our columns are always open to them. And remember they must be in before Tuesday noon, if at all possible.

## STOVE OIL

We regret that due to heavy demand for stove oil and difficulty in securing supplies of same, it has been necessary for us to limit the hours of delivery. Stove oil will only be delivered in town and district upon 24-hour order (in other words, it will be necessary to phone your orders in 24 hours before we are able to make delivery).

Delivery in town and district will only be made between the hours of 1 and 5 o'clock daily, excluding Sundays and holidays.

## BURNSIDE NEWS NOTES

Miss Jean Horie of Cranbrook, B.C., who has been employed at the Alfie Thompson home this summer, has taken a position with Mrs. Sandy Brander.

Mr. and Mrs. Sandy Brander left this week for Edmonton, where their little daughter, Sandra, will be taking medical treatment. George Long is taking care of the Brander farm during their absence.

Mr. Spencer Burph of Didsbury spent Friday visiting Sam McAllister.

Mr. and Mrs. Ott of Olds and Mr. and Mrs. G. McCaig and Anna, visited Sunday with Mrs. Helen Birdale and Sam McAllister.

Roland Ahlgren and Sam McAllister were Calgary visitors Tuesday.

Charlie Mardon, who is a patient at No. 2 Wireless Convalescent hospital, Calgary, spent the week end with his family in the district.

Mrs. Dave Pratt is a patient in the Didsbury hospital.

Mr. and Mrs. Howard Pross spent Friday with Mrs. Jack Underhay.

Mrs. Walter McCulloch left Sunday for a two-week vacation with her sister, Mrs. Joe Davidson, at the coast.

Mr. and Mrs. Walter Fulkert left Monday for a week's vacation with Dr. and Mrs. Fowler at Lehighbridge. Their little daughter, Rita, will be the guest of Mr. and Mrs. Sandy Brander while her parents are away.

A dance will be held in the Lone Pine Hall on Friday, November 21, under the auspices of the hall board. Halliday's orchestra will be in attendance. Come one, come all and have a good time.

Pete Gobert is a patient in the General hospital, Calgary with a crushed chest after a car accident near Crossfield last week.

Ivan Weber and Geo. Long spent a few days in Calgary last week.

## SPECIAL MEETINGS TO BE AT EVANGELICAL CHURCH

Special evangelistic meetings will be conducted at the Evangelical United Brethren Church, Didsbury, November 18-28 at 8 p.m. Rev. J. W. Schindler of Fargo, N.D., will be the speaker. Everybody welcome. Remember the dates—November 18 to 28. Come and bring a friend.

## NOTES FROM THE WEST

Mr. and Mrs. D. Hosegood were Calgary visitors over the week end. Mrs. O. Krebs and family spent Sunday at the home of Mr. and Mrs. L. Krebs.

Mr. and Mrs. Gordon Befus spent a few days in Calgary last week.

Mr. Cooper of the Fallen Timber district is in the Didsbury hospital suffering from injuries sustained Saturday evening when his car went over the steep side of the grade on the Rugby Hill. Mrs. Cooper and the boys escaped unhurt. Mr. Cooper was taken to hospital by the Hogg boys.

## WESTERDALE NEWS

The many friends of Mr. R. Jackson will be pleased to learn that he has made a rapid recovery following an operation at University hospital, Edmonton, and is expected home Tuesday of this week. Jim Jackson accompanied his grandmother, Mrs. A. Jackson, on a train trip to Edmonton last Saturday to spend the week end with his father.

Mr. and Mrs. J. Graham and daughter, Joan Marie, arrived Sunday at the home of Mr. and Mrs. H. Jackson, where Mrs. Graham and daughter will remain for a day or so while Mr. Graham goes hunting.

FOR SALE—450 watt 32 volt second hand Generator. Suitable for light plant.—Claytons Electric

## NOTICE OF COMPLETION OF VOTERS' LIST

Notice is hereby given under the provisions of Section 10 of The Town and Village Act that the Voters' List of the Town of Didsbury has been prepared and that a copy of the said Voters' List is posted in the office of the secretary-treasurer.

The posted list is open to inspection during business hours.

Any qualified elector may make application for the correction of any error or omission in the said voters' list by serving notice upon the secretary-treasurer in writing on or before the first day of December.

Dated at Didsbury this 6th day of November, 1947.

F. L. EVANS,  
2tc Secretary-treasurer

## THE PRICE OF REGISTERED SEED

(H.G.L. Strange)

The price of Registered seed in the three Prairie Provinces once again has been increased.

The reason for the increase is that an extraordinary demand has suddenly sprung up from European countries for Canadian Registered and Certified seed wheat. Many who are in the exporting business are bidding quite high prices for this seed. The prices set by seed growers, therefore, are in accordance with the offers they have had from these exporting concerns. The possibility is that so much seed will be exported that insufficient will be left for the normal use of prairie farmers to improve their crops.

Those who are unable to purchase seed should, I suggest, find out the

name of their nearest neighbor whose seed was tested in "Crop Testing Plan" plots this last summer and whose samples were given an A grade — which is equal to Certified or Registered. If such farmers still have left in their bins wheat that corresponds with this sample, this would be good source of supply and at a reasonable price for those other farmers who cannot purchase sufficient Registered or Certified seed sealed in the sack. Obviously seed cannot be exported out of Canada and still be available to prairie farmers at the same time.

Using collapsible rubber boats for underground rivers, explorers are ready to scorch Tasmania's caves for traces of man as he was 150,000 years ago.

## WEDDINGS

## GOODWIN-FAWCETT

The twilight hour of five o'clock of Wednesday, November 5, 1947, was chosen by Miss Dora Evelyn Fawcett, daughter of Rev. Dr. and Mrs. J.M. Fawcett of Nanton, Alberta, for her marriage to Mr. Geo. Herbert Goodwin, younger son of Mr. and Mrs. A.H. Goodwin of Aldersyde, Alberta.

The setting was the lovely Scarborough Avenue United Church, Calgary, the altar of which was decked with bronze and gold "mums" in the light of flickering candles. The bride's gown was white brocaded satin with fitted bodice, sweetheart neckline and lily-pointed sleeves, with which she wore a finger tip veil held in place by a pearl studded coronet. She carried a white Bible adorned with a mauve orchid and white streamers with pink rose buds.

Miss Reta Mae Fawcett of Calgary was her sister's bridesmaid, in a gown of dusky rose silk Jersey. She carried a bouquet of yellow baby mums.

M. Robert C. Childress, of High River, supported the groom, and Mr. J. Allan Fawcett of Calgary, brother of the bride, and Mr. Earle J. Goodwin, of High River, brother of the groom, were the ushers.

The bride was given in marriage by her father, who also performed the ceremony, assisted by Rev. Alfred A. Lytle of Calgary.

Capt. H.S. Hinton, organist of the church, presided at the organ and during the signing of the register Miss Margaret Adshad of Calgary, formerly of Didsbury, sang "God Give Me You."

A reception followed at the Club Cafe attended by the immediate relatives and members of the families.

Mrs. Fawcett chose for her daughter's wedding a green dressmaker suit with gold and brown accessories, with a corsage of yellow roses.

Mrs. Goodwin, mother of the groom, was gowned in black crepe with cut nylon yoke, with which she wore a corsage of talisman roses.

The toast to the bride was given by Rev. Mr. Lytle and responded to in a very able manner by the groom.

The happy couple left by motor for a honeymoon at the Pacific Coast, the bride travelling in a rose wool dress with brown top coat and accessories and an orchid corsage.

Upon their return they will take up residence on the groom's farm two miles east of Aldersyde.

## WILD DUCKS DIMINISHING

There were 225 million wild ducks in North America in 1944 but two years later the estimated number was only 56 million. Weather conditions during the nesting season, and lack of feeding opportunities during fall migration was chiefly responsible.

Under natural conditions, ducks migrate at night for some 200 miles and feed and rest during the day. In thickly settled districts in Western Canada there remain few if any, natural feeding sloughs, while during the shooting season, hunters in relays keep the ducks on the wing without sufficient food available or unmolested time to eat it. The farmer with his shotgun assists during the day and takes over at night to protect his crops. So that when night comes and the ducks would naturally continue their migration they devote their effort to obtain food instead. Hungry ducks will not migrate.

In addition to the legal bag limit picked up there will always be wounded or lightly shot ducks falling at a distance, also the destruction by shooting in flocks by farmers. Again the prolonged and difficult efforts of ducks to find food caused many of them to lose their migrating urge and remain so long that a large proportion of them are caught by winter and die of exposure and starvation.

Wild life in Canada is maintained "at no expense to the government" or to the sportsmen, but at a heavy and unrecoverable loss to the ranches and farmers. This condition has existed for years with no serious attempt to remedy it. Possibly the annual Dominion-Provincial meetings of the game officials resemble the definition of a convention. A meeting where individually the delegates can do nothing and collectively decide that nothing can be done. — National Parks Association.

## IMPRESSIONS OF PRAIRIES

(From Fergus Record)

The visitor from Ontario is apt to be struck by the bare and inhospitable appearance of the average farm on the prairies. The houses are mostly small and built of frame or logs. There are no flower gardens. Nearly every house needs paint. They look like temporary dwellings rather than homes. Many have a few scrubby trees around them but little attempt at decoration. Barns are small. At this season of the year, the large fields are dotted with straw stacks. Beside each stack is a small granary. These granaries appear to be on skids, so they can be moved anywhere on the farm. There may be three or four stacks and granaries in a single large field. Evidently the threshing machine is moved around from place to place, so the sheaves will not have to be hauled too far.

Of course, there are many better farm houses and barns, some of them quite attractive, and in some cases, the best possible use has been made of the available trees, of which only a few kind thrive on the prairies. But we gained the impression (which may be wrong), that most of the people don't intend to live all their lives on the Prairies. They may have to, but that is not their intention. They want to make as much money as quickly as possible and go away for the winter or retire to Vancouver, Victoria, California or even Ontario. In other words, these are not homes but wheat factories.

The villages look more permanent and they are much alike. There will be three or four large grain elevators beside the railway station, a hotel, a school, two or three churches and a curling rink, all of frame construction. One little town Nipawin, Manitoba, startled the curling world last year by staging a big bonspiel at which the prizes for the winning rink were four new cars. This year Nipawin is doing it again, and raising the total prizes to \$15,000, an increase of \$4,000. Each member of the winning rink will get a \$3,000 automobile. That's something. The news about this way have plenty of enthusiasts. They don't mind tackling big things and "put them across."

## INVENTOR TAKES OVER: PRODUCES "SQUARE" EGG

North American families soon will have a new morsel to round out a square meal — a square egg. Cubed hen fruit, as a matter of fact, already is a reality. The idea was hatched by one David Adams, a Concord, Mass., inventor, who tells all about it in the "Digest of New Inventions," published by The National Foundation for Science and Industry.

Actually, the square egg is a plastic "cube" which is designed to hold the contents of a single egg with its shell removed.

The hen's job ends when she lays the egg in the nest. Science takes over from there.

Adams explained that his square job consists of two parts — the bottom holds the entire contents of an egg, and the top clamps over the discs, airtight.

Breaking of the eggs, packaging and sealing of the shells can be done by automatic machinery, Adams says. He is working closely with a New York outfit which has developed a new method which "shock" food by electronic processes, keeping food fresh without refrigeration.

According to the inventor, there are a lot of advantages to square eggs:

First the egg won't break or roll off the table.

You save a lot of space in packing it.

It's easily cleaned.

Bottling won't crack it.

Impurities are removed in the packaging process.

The square egg is transparent. You can look through the "window" and see if there are any chickens inside.

You won't have to worry about the kids fighting over who'll get the biggest egg. They're all the same size.

The egg dealer can print an advertisement on the outside. If he runs a country store, he can add a few little items for good measure, like: "Special Today — House Dresses, \$1.98."

There will be one drawback.

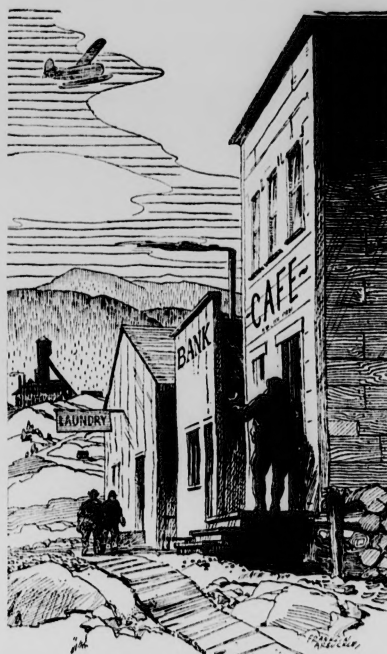

The square egg will raise the very Dickens with egg-rolling contests, come Easter.

In 1944 the horse population of the United States was 12 million, while in 1921 it was 24 million. On the other hand, the number of tractors on U.S. farms increased in that period from 400,000 to 2,100,000.

## Economical Housewives

There was a day when the housewives bought the far away "bargain" in the belief that it was good business to save a few pennies. But experience taught them a few things. Today's housewives do not buy blindly. They examine the article first and when satisfied with the product they pay a fair price at home. It is economical to make your purchases in

DIDSBURY

a cafe...  
a laundry...  
**a Bank**

THE VEIN proves rich, a shaft is sunk, and a new mining town springs into life. The main street takes form. Commercial buildings rise.

When such a development occurs, the services of a bank are needed — to handle payrolls, to keep savings accounts and, as the town grows, to furnish bank credit for the needs of the community.

This is a basic pattern in Canada's development. And part of it is the local bank manager, providing those financial services which help Canadian men and women to win the rewards of modern enterprise and modern living.

THIS IS ONE INSTANCE OF how Canada's 3,200 branch banks play their part in the daily life and work of Canadians.

### FARMERS TRUCK RYE TO CANADA

The Fargo Forum said recently that thousands of bushels of rye grown in the United States are being shipped across the border to Canada and are being sold at about \$1 a bushel more than United States markets are paying.

The Forum said that 35 to 40 truck loads of rye have crossed the border daily for the last few days at Neche, N.D., where customs officers reported the trucks with from 200 to 600 bushels each.

Fargo grain men said rye was being bought in Canada at about \$4 a bushel, but shippers had to deduct the cost of hauling, of permits to haul over Canadian roads and of a duty of nine cents a bushel, leaving them about \$3.40 per bushel.

The Forum quoted a grain dealer as saying that Canadian prices have been from \$1 to \$1.50 higher for nearly two years because there is a demand for rye by Canadian distillers.

The movement was not a "boot-leg" one, the dealer said. The U.S. farmer paid a customs duty of nine cents a bushel and the foreign exchange difference and trucking costs and these confined the flow to points within fairly easy distance of the border. Once across it was sold to Canadian elevators, graded by Canadian inspectors and entered the general Canadian rye stream.

### ALBERTA FARM DEBT SHOWS SHARP DECLINE

Perhaps there is no more convincing evidence of the healthy state of Alberta agriculture than the declining farm mortgage debt.

Estimates compiled by thirty life insurance, trust and mortgage companies indicate that farm mortgage debt in Alberta has declined 72 per cent since the end of 1937. The total amount as at the end of 1946 is \$10.6 millions as compared with \$13.7 millions owing in 1935 and \$39.7 millions in 1937. Not only has the total debt decreased, but a large number of farmers who own their farms, entirely free of debt, has increased materially.

Nebraska ranchers have registered 29,336 cattle brands with the secretary of state.

## PUBLIC NOTICE

NOTICE is hereby given to all Householders, which includes private homes, boarding houses, lunch rooms, restaurants, cafes, hotels, food stores and butcher shops within the Town, that they shall provide a container, substantially made of galvanized iron or tin and provided with a lid and constructed in such a manner that it is fly-proof, capable of containing not more than seventy-five pounds of kitchen refuse or other dry garbage such as tin cans, bones, glass bottles or vegetable matter wrapped in paper. That the said container shall be kept at the rear of the lot next to the alley. The Town Scavenger will make a pick-up of all garbage kept in such a container every two weeks.

All combustible material such as hedge clippings, paper, etc., must be burned.

NOTICE is further given that garbage will not be collected from any premises which is not kept in such a container. Any garbage kept in open barrels or boxes must be removed at the owner's expense and if kept in a sanitary condition which meets the approval of the Sanitary Inspector prosecution will be made under the Health Act.

Suitable containers as required above are now available. The Town Council strongly urges that town residents give their full co-operation in carrying out the above notice.

BY ORDER OF THE TOWN COUNCIL

### CALGARY FISH AND GAME ASS'N RECOMMENDS CHANGES IN PROVINCIAL GAME ACT

The executive of the Calgary Fish and Game Association met recently and endorsed several resolutions which are to be submitted to the annual meeting of the Provincial Fish and Game Association for approval before being handed on to the provincial government.

Among the resolutions submitted were: Non residents of the province be not allowed to shoot pheasant in Alberta in 1948; that hunting be permitted on Sunday; that the section of the Game Act prohibiting goose shooting on the Bow River be deleted; that no non-resident licenses be issued for the first two weeks of the duck hunting season to save local birds for local sportsmen; that the migratory bird shooting season be extended to Nov. 30 instead of November 11 as at present; that the provincial government take steps to provide more adequate enforcement of the game laws; that no action be taken by the government regarding curtailment of firearms presently authorized.

### ST. PETER AND POLITICS

The following, written by L. J. Wrigglesworth of Didsbury, appeared in The Market Examiner, May 26, 1932, and has been handed in for publication:

When my work down here is finished, and I climb the golden stair.

And meet Saint Peter at the Gate, he'll say, "Well, I dee-clare!" Then he'll slap me on the shoulder and say, "Well, well, by gum! If there ain't old John Whittell!"

Where on earth did you come from?" I'm mighty glad to see you, John, but you can't tarry here; The place for you is 'down below'—for reasons all too clear.

Your morals they are none too good and your vices they are many; Your virtues are so few—just let me say, I must obey the rule To not let any guy in here that ever skinned a mule.

Please don't commence an argument, for this I know too well—In spite of all that you may say, you'll have to go to hell."

"Oh, let me in, dear Peter; please take me in," I'll say;

"For I came here from Didsbury, and walked the whole d-d way. I'm footsore, worn and hungry; take pity on me, Pete,

That I may share this happy home where there's enough to eat. I know I've been a sinful cuss while roaming through the earth. Fair women were my weakness then; of them there was no dearth.

But I have never idle been, for always did I work. To earn my measly grub each day, and never did I shirk.

"But what with crops and prices poor, the way was hard and tough."

"So if you'll pardon me, I'll say that I've had hell enough; I'm tired of working overtime, so take me in, I pray.

And show me to an easy job to while the time away. Then furnish me with snowy wings, that I may learn to fly

And soar just like a chicken-hawk, up in yon heavenly sky. And let me have a harp of gold, so I can play and sing."

"Till some day, getting low in cash, I 'hook' the blessed thing. Now, if you'll do this much for me, and all these other bums, We'll vote you into power again when next election comes."

"Well said! Thou faithful hayseed! I'll do my best," says Pete; "But please come in the back door way, and clean the barnyard off your feet."

### 2-4-D TO CLEAR RIGHTS OF WAY

The new weedkiller, 2-4-D will soon replace the axe as an agent to control most types of brush along highways, railways, power lines and telephone rights-of-way. More economical and lasting in its effects than the cutting method of brush clearance, the chief obstacle to the widespread use of this chemical is the lack of suitable spray equipment.

In a recent address before members of the Canadian Electrical Association at Montreal, G.R. Snyder, C-I-L agricultural chemicals expert, stated that recent experiments showed a good kill with a 0.6 per cent concentration of 2-4-D acid on poplar, sumac, willow, wild cherry and hawthorn. Hard to kill varieties such as hard maple, basswood, ash and raspberry required at least a one percent concentration.

### DONATE TO BRITISH TEACHERS

Teachers of the Lac La Biche local of the Alberta Teacher's Assoc-

lation have donated a total of \$100 with which to send parcels of food to teachers in Britain, it was learned here this week. Parcels will be

sent through the A.T.A. head office to the general secretary of the National Union of Teachers, where distribution will be made.

## Divide Your Dollars With Your Neighbor

Everybody has a certain amount of civic pride—that sort of pride which helps make a village a town, and a town a metropolitan city. The growth of any community is dependent upon the support given its citizens. If you fail in your co-operation, your town either stands still or goes back.

If you uphold your town by sustaining it wholeheartedly, you help yourself and the community. Buy at home! Be neighborly with your dollar. Divide your dollars among your merchants and others who have the interests of Didsbury at heart. Help them and they will help you to greater values—for increased volume means decreased costs.

DIDSBURY needs your support and you need the support of the town. Let's get together and share our dollars for a mutual prosperity.

## CONTROLS ON COARSE GRAINS ARE PARTIALLY LIFTED

On October 21st government controls on coarse grains were partially lifted and trading in oats and barley was resumed on the Winnipeg Grain Exchange open market.

Oats have risen from the Government ceiling of 65 cents to the open market price of 90 cents; barley from 93 cents to \$1.20. These prices are still below American prices because the government still prohibits exports of oats and barley to the United States. Prices tend to be kept down, too, because of the Canadian contract to supply bacon to Britain at relatively cheap prices. To produce these hogs at that British contract price sets a limit on the price of oats and barley used to feed these hogs. The whole situation is further confused, for farmers who hauled grain to market prior to Oct. 21 didn't participate in the increased prices that have occurred. Obviously, to do justice to all farmers, these price ceilings should have been removed on Aug. 1st last. Farmers, however, who are now hauling coarse grains have benefited by the removal of price controls. Whether the government will permit the export of oats and barley to the United States, and whether the Government will assume the bacon contract so as to induce hog feeders to continue to feed hogs for Britain, or whether hog feeders will market their unfinished hogs, all remains to be seen.

## WINTER CARE OF FARM MACHINERY

If machine storage space is limited, at least try to shelter those implements with wooden parts, and keep rubber tires and belts under cover, suggests E.B. Martin, Extension Agricultural Engineer for the Alberta Department of Agriculture. Provide shelter for rubber tired machinery if possible, and at the same time set up the machine on blocks to take the weight off the rubber mounted wheels. Where storage space is not available for the whole implement, remove the wheels and put them under cover. If wheels cannot be removed without a great deal of trouble, it pays to cover the tires with canvas or tar paper. All belts and rubber parts should be removed and placed under dry cover.

The seed drill box should be cleaned out thoroughly before storing for winter. The feed cups and drive mechanism rust and get out of shape if exposed to moisture. If the drill is to be kept outside wrap the box with tar paper or canvas. Fertilizer attachments must also be thoroughly cleaned. When commercial fertilizer becomes wet the water joins with chemicals in the fertilizer to form acid. The acid eats away at the metal parts and before long they are ruined. Shearing and cutting edges, such as those on plow shares, mould-boards, cultivator shovels and disc blades, should be well cleaned and a coating of grease applied. If you run your single disc or one-way up on planks, the disc blades will be kept out of the ground, and rust and corrosion of the edges prevented.

## NEW INCOME TAX FORMS TO EASE CANADA TAXPAYERS

With the new income tax forms 90 per cent of Canada's taxpayers can say good-bye to one of the toughest annual chores ever to plague them.

It has been announced that new, simplified forms, shifting the problem of income tax to the shoulders of the employer and the Revenue Department, have been devised for persons with income of less than \$3,000—a group which makes up 2,301,875 of Canada's 2,548,609 income tax payers.

It is expected the forms, no bigger than a postcard and designed at a recent meeting of income tax officials, will be made official in a forthcoming announcement by Revenue Minister Cunniff.

Persons earning more than \$3,000 a year will just have to struggle along with the forms previously used.

For most taxpayers the procedure will be that the employer will enter on the income tax card the name, marital status, number of dependents and deductions at source of his employee. There will be a line on which additional income will be reported. The completed form will be sent to the revenue department, which will compute the tax and notify the taxpayer.

## BEEF EXPORTS TO U.K.

Exports of beef to the United Kingdom amounted to 20.7 million pound (carcase basis) during the first nine months of 1947. Seasonally lighter cattle marketings during June and July were not sufficient to provide an export surplus. In September, says the Current Review of Agricultural Conditions in Canada, when marketings are usually sufficiently heavy to provide a substantial surplus for exports, strikes in packing plants reduced meat output.

207 years old, and said to have been the scene of the first Masonic meeting in Canada, the Annapolis Hotel, of Annapolis Royal, Nova Scotia, closed its doors recently.

# DIDSBURY DELIVERED PRICES OF GENERAL MOTORS CARS

FROM time to time, as a matter of public information, we have published the Retail Delivered Prices of General Motors Automobiles.

In accordance with this practice and to eliminate any uncertainties or confusion, we are again publishing the present Retail Delivered Prices. These prices include Standard Factory Equipment, Dominion Taxes and spare tire. Provincial and Municipal Taxes where such apply, license fee, and optional equipment are, of course, additional.

We sell these makes and models at the prices shown. You may rest assured, we will distribute them as fairly as possible with proper regard for orders placed with us and dependent upon the availability of models.

Should you be offered, from some other source, a new car, or one with low mileage, we suggest that you pay no more than the prices listed. You will obviously

find it to your advantage to wait a little longer, until we are in a position to deliver a car against your own order.

We are sorry to say that delivery to you may be delayed for some time yet. This is due, in particular, to the shortage of many materials. General Motors has done a splendid production job under the circumstances and expects to steadily increase the rate of production. Meanwhile, these conditions, combined with the wide popularity of General Motors cars, and such an unprecedented demand, mean that delay in some instances is quite inescapable. We entreat your patience and understanding while the shortage exists.

We realize that our success depends upon the confidence and goodwill of our many customers. We will strive at all times, through good business practices, to justify, and therefore retain, this most valuable asset.

## THE CATTLE COUNTRY

(E. Pauline Johnson)  
Up the dusk-enfolded prairie,  
Foot-falls, soft and sly,  
Velvet cushioned, wild and wary,  
Then—the coyote's cry.

Rush of hoofs, and roar and rattle,  
Beasts of blood and breed,  
Twenty thousand frightened cattle,  
Then—the wild stampede

Pilant' lasso circling wider  
In the frenzied flight—  
Loping horse and cursing rider,  
Plunging through the night.

Rim of dawn the darkness losing  
Perfume of the sage brush oozing  
On the air like oil.

Footfalls to the Rockies lifting  
Brown, and blue, and green,  
Warm Alberta sunlight drifting  
Over leagues between.

That's the country of the ranges,  
Plain and prairie land,  
And the God who never changes,  
Holds it in His hand.

## PREMIER MANNING ENDORSES TUBERCULOSIS SEAL SALE

Premier Ernest C. Manning has issued a statement calling on all citizens of Alberta to support the annual Christmas Seal sale sponsored by the Alberta Tuberculosis Association at its local committees throughout the province. Mr. Manning's statement is as follows: "I am heartily in accord with the objects of the Alberta Tuberculosis Association. I believe that they are rendering a valuable service to our citizens and I hope our people will respond generously to this appeal. Christmas Seals to me are synonymous with Christmas and the Christmas spirit. Let us all help in this great work."

Christmas Seals are in the mail this week, mailed by the various local committees to 180,000 homes in Alberta.

1947's objective is \$125,000, which will be used to promote still more Community Mass Chest X-ray Surveys to rehabilitate ex-patients, to provide occupational therapy for patients in the sanatoria, to disseminate health education and for many other measures designed to eliminate tuberculosis.

## WHO DOES YOUR PRINTING?

All business houses need more or less printed matter, all of which is within the possibilities of the local printer. Yet how prone many are to pass up the home printer and let the orders go to city offices which have no interest whatever in rural communities except to get printing orders and the cash to pay for them.

Business men, remember that the home paper is constantly promoting the interests of the home community and you owe it to yourself and your local paper to back up these efforts by at least having your printed matter done locally.

When In Need of Printed Matter Consult

TELEPHONE: 12

## Did You Pay Income Tax For 1942?

If so, read this carefully!

The Government of Canada will repay the REFUNDABLE SAVINGS PORTION of 1942 Income Tax by March 31st, 1948. If you are one of those who have refundable savings a cheque will be mailed to you BUT—

**Your correct present address is essential!**

Correct addresses are available for most of those entitled to repayment, but a large number of taxpayers are constantly moving and others marry and their names change.

Cards on which to report changes of address or name are being sent to all householders in Canada. These are being distributed at the present time. Additional cards are available either at your district Income Tax office or your local Post Office. Do nothing if you live at the same address and have the same name as in 1942.

*If you are entitled to Refundable Savings on 1942 Income Tax and you have changed your address or name COMPLETE AND MAIL YOUR CARD AT ONCE!*

Minister of National Revenue

### BRITAIN'S CROWN JEWELS ON VIEW AGAIN

One of Britain's greatest attractions for overseas visitors has just returned to its old home, the Tower of London. This is the magnificent collection of Crown Jewels considered by experts to be the finest

regalia in the world. Every item of the 60 pieces enshrines some aspect of Britain's story through the centuries. A new addition has been made to the collection in the shape of a miniature crown of diamonds made specially for Queen Victoria and worn on State occasions. It was housed previously in Buckingham

Palace. The most famous single stone in the regalia is the Koh-i-Noor diamond which blazes in the Queen's crown.

Every contact that you make with others is either a bridge built or a gulf dug.

### GOOD WORK OF RED CROSS SOCIETY CONTINUES

One half of the \$1,000,000 Canadian Red Cross food relief shipment to Great Britain and Europe is expected to be on the high seas by mid-November. H. H. Bishop, chairman of the national purchasing committee, told the Red Cross Central Committee meeting at Montreal recently.

Representatives of the countries concerned have already specified what types of bulk food are most necessary. Mr. Bishop said, and purchases have been made accordingly for the shipment which is designed to ease the coming winter's food crisis overseas.

More than \$642,300 of the \$1,200,000 appropriated for the Canadian United Allied Relief Fund in 1947 was spent by September 30th and an additional \$160,961 worth of goods was purchased from designated funds, earmarked for specific foreign countries.

Among reports of Red Cross services in Canada presented recently was that of R. W. I. Urquhart, national chairman of First Aid, Swimming and Water Safety.

One third more children, a total of 16,593 across Canada, were taught water safety under Red Cross auspices in the first nine months of this year than in the whole of 1946. Mr. Urquhart told the delegates. In all, 692 instructors held 1,365 classes. Over 1,120 new instructors were qualified through the teaching programme.

New highway first aid posts are being established in Prince Edward Island, New Brunswick and Quebec as part of the expanding first aid programme.

### ROYAL WEDDING MUSIC

Princess Elizabeth has chosen the Bridal March from Sir Hubert Parry's incidental music to "The Birds" of Aristophanes to be played at her wedding in Westminster Abbey, on November 20th. The Wedding March from Mendelssohn's incidental music to "A Midsummer Night's Dream" will be played at the close of the ceremony.

### CONSERVATION CHEAPER

Ill health is waste, say the medical leaders. It saps energy, stifles ambition, cuts earning capacity, retards progress and steals happiness. How much better, they note, to conserve health while we have it and, if it is threatened, to send out an alarm for a medical expert to save it.

## AUCTION

# Tune in on TOMORROW!

The "drive" of tomorrow is here today!  
... as ultra-modern as television, and  
with nearly 8 years of PROOF behind it!

Some day... no car driven will shift gears... push a clutch. But today... only GM Hydra-Matic Drive provides fully automatic shifting through four forward speeds! Only GM Hydra-Matic Drive eliminates the clutch pedal entirely!

Hydra-Matic Drive was introduced by Oldsmobile nearly 8 years ago! Since that time it has been proved in the hands of nearly 400,000 Oldsmobile owners—proved in literally

billions of miles of driving—even proved in combat use on Army tanks! Today, the lowest-priced car to offer GM Hydra-Matic Drive is the smart new Oldsmobile—away out ahead automatically—away out ahead in appearance, too. Owners know Oldsmobile is always in tune with tomorrow. They expect Oldsmobile to come out first with the really important advancements like Hydra-Matic Drive. That's why so many future-minded people say, "It's SMART to Own an Olds!"

### KEEP YOUR CAR "IN TUNE"

The demand for performance with the new GM Hydra-Matic Drive is so widespread it exceeds the capacity of our present car inventory. Make sure you have it serviced regularly by your Oldsmobile dealer.

White sidewall tires, when available, of extra cost.

## -:DISTRICT NEWS:-

### NOTES FROM THE EAST

The Lone Pine hall board will  
hold a dance in the Lone Pine hall  
on Friday, November 21st. Halli-  
day's orchestra will supply the  
music.

The Lone Pine W.I. is sponsoring  
their big dance of the year on Fri-  
day, November 21st. Fox's orches-  
tra will be in attendance. Everyone  
come out and have a good time.

The Lone Pine W.I. met in Dids-  
bury at the home of Mrs. R. Eckel  
Saturday, November 8th, with 15  
members, four visitors and six  
children present. The meeting open-  
ed with singing "The End of a Per-  
fect Day." All members wore pop-  
pies in honor of Remembrance Day.  
Correspondence was read and the  
business session followed at which  
plans for the big dance at Lone  
Pine were made. Mrs. J. Underhay  
gave a contest, "Know Your Adver-  
tisements", Mrs. S. Elliott being  
the winner. Mrs. D.L. Fobes won  
the ten cent draw. The meeting  
closed with the singing of God Save  
The King and a bountiful lunch was  
served by the hostess, assisted by  
Mrs. B. Pross and Mr. G. Huggard.  
The next meeting will be held at  
the home of Mrs. S. Brander on the  
first Wednesday in December.

Mr. Earl Dremus of Washta,  
Iowa, visited over the week end  
with Mr. and Mrs. Alfie Thompson.  
Mrs. Atha Topley, who has been  
teaching school at Torrington, spent  
last week end at her home in the  
district.

Eddie Patterson and Jay Todd  
celebrated at a combined birthday  
party on Wednesday last at the  
former's home.

Mr. and Mrs. Sandy Brander  
were Sunday guests at the home of  
Mr. and Mrs. Alfie Thompson. The  
Branders have engaged Miss Jean  
Horie of Cranbrook, B.C., for  
household work until she takes  
over a position in the Didsbury hos-  
pital.

Mr. and Mrs. H. Shells and son,  
and Ross Odden spent Sunday as  
guests of Mr. and Mrs. Ken Taylor  
of Acme.

Mr. and Mrs. Sam Elliott visited  
about the district Sunday and called  
on Mr. and Mrs. Jack Underhay  
and Mr. and Mrs. H. Richardson.

Mrs. O. Brown and baby have  
been in Calgary for the past week,  
where Mrs. Brown has been receiv-  
ing medical treatment for her teeth.

Coyotes are plentiful in the east  
district and any crack shot gun  
artist would be welcome. Mrs. D.B.  
Wood has suffered great loss to her  
flock of sheep this season having  
lost 29 sheep and lambs. Mrs. Wood  
reports that the pests are travelling  
in groups of five during their forays.  
If any hunters are interested in rid-  
ing the country of these pests,  
please call on Mrs. Wood and she  
will gladly direct them to their  
regular haunts.

Mr. Fred Metz was a Red Deer  
business visitor last Wednesday.

Miss Ann Dann and Mr. Pat  
Spragg and family were Sunday  
evening dinner guests with Mr. and  
Mrs. Roy Milne to celebrate the  
birthday of the latter's wee daugh-  
ter.

Miss Claire Wood spent the week  
end at her home.

Miss Ann Dann and Mr. C. Neu-  
feld and family motored to Calgary  
last Monday evening.

Evelyn Dowell was a Thursday  
evening visitor at the Harit home in  
Sunnyslope.

Mr. and Mrs. Robert Eckel were  
Saturday evening visitors at the  
Fred Metz home.

Fred Metz and Sandy Brander at-  
tended the I.O.O.F. Lodge meeting at  
Sunnyslope Thursday evening.

### MOUNTAIN VIEW NOTES

Miss Jeanette Worral visited for  
a few days in Calgary last week.

Mrs. W. Bruce is visiting at  
Ponoka with her daughter, Mrs. S.  
St. Clair.

The Women's Institute meeting  
will be held at the home of Mrs.  
Art Gebers on November 20th. All  
members please bring finished  
bazaar items and remember, there  
isn't much time left. Roll call will  
be answered with "Some Important  
Event Concerning the Royal Fam-  
ily," or "The Coming Wedding."

The Mountain View W.I. will  
hold a Bazaar, Fish Pond, cards and  
lunch in the Community hall on  
December 5th. Watch for further  
announcements.

Alberta's sugar beet production  
for 1947 is estimated at 365,000 tons  
from 29,200 acres. This is a reduc-  
tion of 20,000 tons from last year's  
production.

### BERGEN NEWS NOTES

Norman Clarke has purchased  
the Cy Johannesson house on the  
left side of the road and on top of  
the hill going west. Norman was  
in the Valley Tuesday buying cat-  
tle.

Mr. and Mrs. Mekkelberg Sr.  
have moved to Calgary.

Mr. and Mrs. E. Richardson have  
been visiting the Lyle family. They  
formerly lived on the hill west of  
Fallen Timber creek.

Fred Bern's sale was well at-  
tended and prices were good.

Chas. Erickson Sr. is very ill and  
we extend our sympathy.

Leonard Mekkelberg and family  
visited in Calgary for a few days  
recently.

Trygve Haug has built a new  
barn and part of it will be used for  
a garage.

It is rumored that Mr. McCorn-  
ick was taken to the hospital.

Dave Ratslaff, Paul Baerg and  
Paul Toews were out for some mill  
fixtures Wednesday.

Walter Gamble took a truckload  
of cattle to Calgary last Tuesday.

Six inches of snow fell in the  
Bergen district last Monday even-  
ing.

Rev. Harley Traub and family  
and Mrs. Valentine Schaeffer of  
Mayton were in Bergen Monday.

Mr. and Mrs. Clarence Schaeffer  
were in Three Hills over the  
week end.

### CREMONA NEWS

With all the snow it only natural  
that the children should get out  
their sleighs and skis. On Sunday  
Grace Brown, Nola Waterstreet,  
Donny Brown, Ronny Hettinger,  
Orville Tippe, Chuck Holbrook,  
Ross Craig and Archie Craig ven-  
tured out to the ski slide for some  
fun with sleighs. The slide drops  
steeply and has two sharp curves.

On one occasion Grace and Nola  
hurtled down, lost their sleigh  
from underneath them and only  
discovered it again after a five  
minute hunt. The sleigh had run  
off on its own and probably would  
never have been found if it had  
not run into a tree.

Mr. and Mrs. F. Stone of Dog  
Pound were Sunday visitors at the  
home of Mr. and Mrs. C.H. Water-  
street.

The Cremona girls and boys sold  
poppies on Saturday and had a very  
successful day.

While on their way back from  
Calgary in their truck Mr. and Mrs.  
Wigg of Cremona skidded over the  
bank on the Dog Pound river hill,  
but fortunately neither of the occu-  
pants was injured. After having  
supper with Mr. and Mrs. Fay  
Stone the couple continued on their  
way home in Stone's car. The next  
day the truck was pulled out by  
horse and tractor.

A shower for Yvonne Watchorn  
was held at the home of Mrs. Betty  
Simpson on Monday.

### POKER LANGUAGE

A minister told his flock that he  
had a 'call' to go to another church.  
One of the deacons asked how much  
more he was offered. "Three hundred  
dollars" was the reply. "Well,  
I don't blame you for going," re-  
marked the deacon, "but you should  
be more exact in your language,  
parson. That isn't a 'call,' that's  
a raise."

"Dad, what was your great am-  
bition when you were a kid?"  
"To wear long pants, son. And  
I've got my wish. If there's any-  
body in this country that wears his  
pants longer than I do, I'd like to  
see him."

YOU PAY THE SAME for Counter  
Check Books, whether you order  
them from a salesman, or from  
The Didsbury Pioneer. Buy at  
home and support local industry.

## LOCAL NEWS

—Don't forget the evening of cards  
and other games at Westcott school  
on Friday evening, November 21st,  
at 8 p.m. No admission. Ice cream  
and pie social following.

Henry Hooper left last Thursday  
to visit his brother, William Hooper,  
and family in Edmonton. William  
will be anxious to hear news  
about his old home in Devonshire,  
England, where Henry recently  
spent an extended vacation.

—There will be a Community  
Centre benefit dance in the Dids-  
bury Opera Theatre on Wednesday  
evening, November 26th. Proceeds  
for the Community Centre.

Dave Walders, Bill Moon, Gordon  
Cuthbert and K. Stauffer returned  
Saturday from a two week's big  
game hunt in the Panther and Dor-  
mer Creek districts. They report  
seeing a lot of game and each got  
an elk.

Ed Ford received word Thursday  
of the death of his mother at Han-  
over, Ont., and left that day by  
plane to attend the funeral. He  
plans on visiting the General Motors  
factory at Oshawa before re-  
turning home.

—Ethylene Glycol Antifreeze (im-  
ported) now in stock at White  
Rose Service. \$7.75 per gallon.  
Phone 149.

Miss Lucille Collinge and Mr.  
George Umbach were Sunday din-  
ner guests at the home of Mr. and  
Mrs. Roy Adams.

Royden Moon, who is stationed  
at Avonlea, Ont., with the R.C.A.F.,  
arrived home on leave last Wednes-  
day.

Don't forget the Mens Chapter  
I.O.O.F. meeting in the Lions hall  
Thursday, November 13th, at 8.30  
p.m.

The regular service of St. Cy-  
rian's Anglican Church, Didsbury,  
will be held on Sunday, November  
16th, at 11 a.m. At this service, Rev.  
W.A. Austin, who is a member of  
the Anglican Committee on Evan-  
gelism, will give a report on the  
committee meeting, which is being  
held in Calgary this week.

A friendly welcome awaits you  
at the Evangelical Church on Sun-  
day, November 16th at 7.30 p.m.,  
when the Women's Society of  
World Service render their annual  
missionary public "Thank-offering"  
program. You are invited to attend.

K.A. Cassidy has sold his present  
building and part of the land and  
expects to build a modern lumber  
yard in the southern part of town  
some time next summer.

—Small amount of cement in  
stock. A good shipment of Plaster  
Board just in. Get in on the ma-  
chine bargains before the new  
owner takes over—Cassidy Lumber  
Yard.

Alex Hall was admitted to the  
Didsbury hospital Thursday.

Mrs. L. Lee left at the beginning  
of the week for an extended visit  
in the United States.

Mr. and Mrs. Dave Edwards and  
Bill were Calgary visitors Tuesday.

Mrs. Roy McArthur and daugh-  
ters spent Remembrance Day visit-  
ing in Innisfail.

Mr. and Mrs. Pete Schellenberg  
of Gouldtown, Sask., who are  
spending their honeymoon in Al-  
berta, visited at the Jake Schellen-  
berg home in Didsbury and at the  
Dr. J. Andreas home in Wetaskiwin  
over the week end.

Mrs. Roach was a Calgary visitor  
the latter part of last week.

Alta Mae Oke entertained 15 of  
her friends at a Halloween party  
at her home Friday evening, Octo-  
ber 31st. The guests all came in ap-  
propriate costumes and the even-  
ing was spent in playing games.

Mr. and Mrs. Eric Ansley of Ed-  
monton and Dr. Murray Rose of  
Tacoma, Washington, were guests  
at the home of Mr. and Mrs. E.T.  
Wiggins last week. Dr. Lee was  
attending the Alberta Teachers'  
Association convention as guest  
speaker.

Mrs. Ivan Weber was a Calgary  
visitor Friday.

## Ranton's

And Meet Your Friends

E.G. Ranton left Sunday on a  
business trip to Edmonton.

Howard Halliday was a business  
visitor in Calgary Monday.

Mr. and Mrs. Russell Fulkert  
attended the wedding Saturday  
evening of the latter's niece, Miss  
Patricia Brownston, to Mr. Robert  
Casement. The wedding was solemn-  
ized at St. Martin's Church, Cal-  
gary.

—200 Pairs of Men's 2-buckle and  
4-buckle Army Overshoes— J.V.  
Berscht & Sons.

If you buy, fever will die—Buy  
and use Christmas Seals.

The Red Cross dance held at Mel-  
vin last Friday night was well sup-  
ported by Bowden and Cremona  
people, but very few showed up  
from Didsbury.

As we go to press the weather is  
clearing off and about six inches  
of snow covers the ground. Tem-  
peratures have been below normal  
for this time of year and it was  
seven above zero Tuesday morning.

Bill Payne was a business visitor  
in Calgary last Friday making ar-  
rangements for the firing party to  
be in attendance at the Memorial  
Service held at the Butte Tuesday.

"Father, what is a traitor in poli-  
tics?"

"A man who leaves his party and  
goes over to the other one."

"What is a man who leaves his  
party and comes over to yours?"

"A convert."

Vertical caves, called "pot-holes"  
in Yorkshire's West Riding, have  
been shunned for centuries as the  
lair of demons.
